DOLLY PARTON IMAGINATION LIBRARY

United Way of Greater Stark County partners with Child & Adolescent Behavioral Health to bring Dolly Parton's Imagination Library to our community. UWGSC serves as the 501(c)(3) for the program, raising funds and encouraging other partners to contribute to cover the cost of books and mailing, promoting the program and registering local children. Dolly Parton's Imagination Library fosters a love of reading to preschool children and their families by providing them with the gift of a specially selected book each month. By mailing high quality, age-appropriate books directly to their homes, children can be excited about books and feel the magic that books can create. Every child can have books, regardless of their family's income. Statistics and independent reports have shown this program drastically improves early childhood literacy for children enrolled in the program. Further studies have shown improved scores during early literacy testing.
