Welcome to the United Way of Greater Stark County team! Thank you for playing a leadership role in our annual fundraising Campaign. As a Campaign Coordinator, you are an integral part of a special group of volunteers dedicated to making a measurable difference in the lives of people in our community.

With your support, we're fighting for lasting, positive changes in the areas of health, education and financial stability. The information provided here, materials on the United Way of Greater Stark County website, and from your United Way representative will help you plan and execute your campaign strategy. We're always just a phone call or email away. We want your experience to be fun and rewarding, which are key factors in your campaign's success. If you need anything, please call us at 330-491-0445.

EMPOWER OTHERS - Your actions inspire others to dream more, learn more and do more. You empower people to change their lives and help build a stronger community by recognizing and understanding our community's needs.

EDUCATE YOURSELF - Making a human connection is critical to understanding our community and we have opportunities for you to increase your awareness of what's going on in your community today.

JOIN US AND FIGHT - For those who need a voice, and those whose names we do not know. No matter the obstacle. No matter the odds.

We can win the fight only with support of the community. Collaboration is an important part of the solution and we tackle some of the most difficult challenges by working together. In a time when differences compel people to be more distant, United Way of Greater Stark County calls for cooperation, comradery and unification.

Thank you for joining the fight. Visit www.uwstark.org to read more about how leaders in the community have shown their support for our work.

If you are new to United Way, we invite you to join our fight. Whatever you have to give: your time, a donation; whether large or small, your compassion, your interest, your desire to make the world a better place -- please consider joining our fight. We have one life. To live better, we must live United.

We aren't afraid to take on the toughest challenges. We are the handraisers. The gamechangers. We don't wait for problems to land in our laps. Instead, we dig for the challenges that need us the most.

We mobilize the best resources to find solutions for problems in our own communities, and around the world.

Thank you for all that you do and for living United.

MAXIMIZE YOUR IMPACT WITH LEADERSHIP GIVING

WHY LEADERSHIP GIVING?

Leadership Giving is the best strategy to grow your campaign and strengthen your community impact. United Way of Greater Stark County Leaders in Giving gifts start at \$1,000 and receive unique opportunities to learn about community issues. They are invited to participate in a variety of social, networking and recognition activities, which build loyalty and can increase giving in future company campaigns.

1. APPOINT A LEADERSHIP GIVING CHAIR

This role is best played by a Leader in Giving who is a senior officer in your organization. As a role model, they are passionate about United Way and willing to invest time in this effort.

2. RECRUIT A TEAM OF LEADERS IN GIVING TO SUPPORT YOUR EFFORTS

Peer-to-peer contacts are the best way to recruit Leaders in Giving. Volunteers should be able to answer questions about United Way of Greater Stark County, personally share why they give, and ask others to join them.

- Does 50% of your employee giving come from Leaders in Giving? If not, Leaders in Giving is an area of opportunity.
- How does your company rank among peers in your industry?
- Are you making a special appeal to attract contributors at different levels and initiatives?
- Do you have strategies in place to retain current donors?

4. DEVELOP AN ACTION PLAN

- Ask current Leaders in Giving to consider increasing their gift or asking their peers for support.
