United Way  
of Greater Stark County

## ANGELA PERISIC

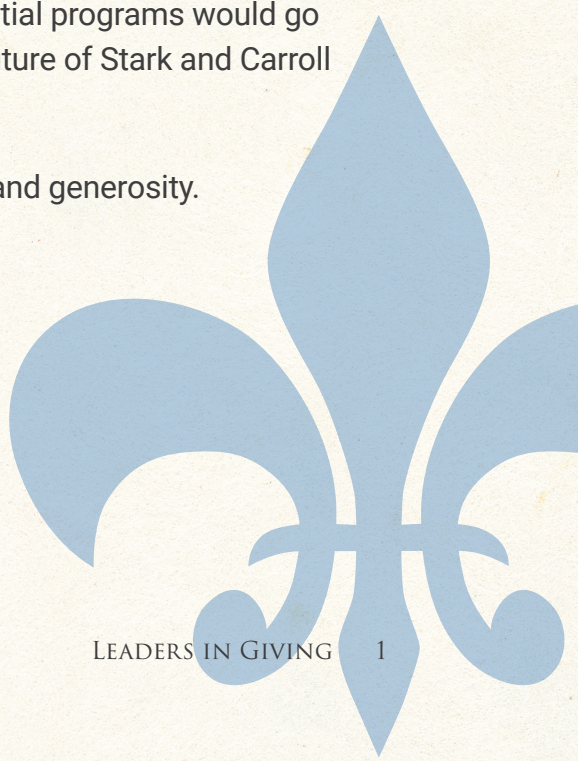

PRESIDENT AND CEO  
UNITED WAY OF  
GREATER STARK COUNTY

Creating lasting change has been at the forefront of all the work that the United Way of Greater Stark County has accomplished over this past year. As we progress and continue to make a positive difference for and in our community, I cannot express enough gratitude to you for choosing United Way to be your partner in improving the lives of others. Through your generous acts of goodwill our community is better.

The Alexis de Tocqueville Society and Leaders in Giving are our largest individual contributors and create the backbone of resources needed to make good things happen. Without you, success would not be possible. Without you, many essential programs would go without funding dollars. You enable the future of Stark and Carroll Counties to be bright.

I thank you for your kindness, your hope, and generosity.

### 2022 ANNUAL CAMPAIGN CO-CHAIRS

In 2022, United Way of Greater Stark County celebrated 100 years of bringing people together to build stronger neighborhoods and a better, more equitable community.

For more than 100 years, Schauer Group also has been dedicated to helping people and communities thrive. We've always believed one of the best ways to do that is to support the United Way and its efforts to promote access to health, educational success, and economic mobility. We know that by working together as a community, we can make major strides toward slowing the cycle of poverty and creating healthy, bright futures for children and families in Stark and Carroll counties.

We are grateful for your continued, generous support of United Way and for your investment in the next 100 years of this important mission. Thank you for joining us.

## ALEXIS DE TOCQUEVILLE SOCIETY

*Only 26 when he toured America in 1831, Alexis de Tocqueville recognized, applauded and immortalized North American voluntary action on behalf of the common good. He wrote, "I must say that I have seen Americans make a great deal of real sacrifices to the public welfare; and have noticed a hundred instances in which they hardly ever failed to lend a faithful support to one another," eloquently capturing the essence of personal philanthropy that persists almost three centuries later.*

## 2022 MENTOR

THOMAS A. SCHAUER

**T**homas A. Schauer always has believed the key to building and sustaining a successful business is commitment – to clients, to associates, and to the entire community. These principles guided his time at the helm of his risk management firm, Schauer Group, and they have been evident in his dedicated service to the community throughout his life.

Tom grew up in Canton, graduating from McKinley High School in 1945. He then attended The Ohio State University, while also serving several years with the U.S. Navy. After earning a degree in insurance, he returned home to Canton to assist his mother in running the family's insurance agency.

By 1953, Tom had purchased the business from his mother and began to shift the company from focusing solely on door-to-door insurance sales to providing clients with risk management expertise. Quickly, the two-person insurance agency became one of the largest in the city.

For Tom, it was paramount to invest back into the Stark County community as his business grew.

"We live and work in a wonderful community created by our forebearers," he said. "In order to keep it that way, we need

to give back to our community in every way that we can."

Tom's community service involvement has spanned dozens of organizations, including leadership roles with the Aultman Hospital Board of Trustees, the Aultman Health Foundation, the Distribution Committee of the Stark Community Foundation, the Canton Area YMCA Board of Trustees, the Canton Club, the United Way of Central Stark County, the Better Business Bureau, the Community Blood Program, the North Nimishillen District of the Boy Scouts of America, the Avondale Community Improvement Association, and the Stark County Accident and Health Underwriters.

During his career, Tom also chaired fundraising campaigns for the Canton Area YMCA, the United Way of Central Stark County, and Malone College. He has been the recipient of the Gold Key Service Award from the United Way, the Award of Merit from the Greater Canton Chamber of Commerce and the Red Triangle Award from the YMCA.

Tom is being honored by his sons, Bill Schauer and David Schauer, who have continued his legacy of giving back to the community that has supported the family's business for more than 100 years. Today, commitment remains one of the company's core values and is shared by all Schauer Group associates.

"Our father's unwavering commitment to the Northeastern Ohio community, our clients and our associates has been the cornerstone of our business success," David said.

"He taught us that being a responsible member of the community is an important part of running a successful business, and his commitment to giving back has set an excellent example for our family and all Schauer Group associates," Bill continued.

## 2022 MENTOR

### ABNER AND ESTHER YODER

Abner and Esther Yoder are a true testament to the power of faith, hard work, and family. They built a successful business together and raised a large and loving family while always maintaining a focus on charitable giving.

Abner and Esther met when they were in their twenties. They both came from the Amish community in Holmes County and met in church. Soon they were married. Equipped with only eighth grade educations, they started a business and a family.

Their business, Stark Truss Company, was launched in 1963. In those early years, it was a tightly run operation. At one point, Abner and Esther even listed all of their household items as collateral with the bank. With a combination of skill, determination, and divine guidance, they grew the business over the years into a thriving enterprise. Their success was never just about making money. Abner and Esther always put their faith and their family first.

The Yoders credit their faith for their success in life and business. They are devout Christians and have always been active in their church community. They credited their faith for guiding them in their decisions and for helping them to overcome the many challenges they faced along the way.

Family has also been a cornerstone of their lives. They have four children, eleven grandchildren, and an ever growing branch of great-grandchildren. Family holidays and gatherings are filled with joy, laughter, and delicious homemade cooking.

Their generosity extends beyond their family. They have always been committed to charitable giving and have supported many causes over the years. In addition to the dozens of ministries they support, they also fund and support missionaries around the world, including orphanages in India and a hospital in the mountains of Guatemala. Thousands of people are impacted by their giving every single day.

Although Abner passed away on March 22, 2017, his work is carried on by Esther and their progeny. Their business is still operating across the country and it funds the charitable efforts started so long ago.

In many ways, Abner and Esther Yoder are an inspiration. They have built a successful business while staying true to their faith and their family values. They have shown that it is possible to be successful while also giving back to others. Their legacy will continue to inspire others for generations to come.
