

# Impact Insight & Inspiration

## JUNE 2025

### Local Companies Pack Hope for Kids

Three local companies volunteered to create weekend food backpacks for elementary students facing food insecurity, ensuring access to nutritious meals when school is out.

### “Little Bites, Big Smiles” - Snack-Sized Kindness

Charter Next Generation’s “Little Bites, Big Smiles” drive collected snack-sized treats for packs, with volunteers decorating sacks with colorful drawings and uplifting messages to brighten kids’ days.

### Hunger Task Force Heroes

Aultman Integrated Health Collaborative and Reliance Cares partnered with The Hunger Task Force, assembling backpacks filled with wholesome meals for kids to take home over the weekend.

These efforts deliver nourishment, hope, and supports for a stronger future.
